

TALK TO FRIENDS ON-LINE

Join the new European Federation of Therapeutic Communities (EFTC) on-line discussion list and be in regular contact with friends and colleagues in the TC movement every day.

This is a free list, meant primarily for EFTC members, but open to anyone with an interest in therapeutic community approaches, including:

- staff working in TCs**
- residents in TCs**
- TC graduates**
- academics & students studying TC approaches**

Joining the list is free and provides you with the capacity to contact over 250 TC-friendly people with 1 e-mail!!

The list is useful for:

- keeping in contact with friends & colleagues**
- discussing issues**
- announcing conferences, events, job vacancies etc.**
- asking for information & advice**
